

EXPERIENCE SERIES™
Standard Line

SMOOTH, FLOWING & PRECISE

Our Experience Series™ cardio equipment will satisfy the needs and enhance the workouts of beginners and advanced users alike.

946i Treadmill

Like every piece of equipment in our Experience Series™ Standard Line, the 946i Treadmill has been designed and built to withstand the rigors of a broad range of environments, from less supervised facilities such as hotels, corporate gyms, apartment complexes, or fire departments. Combining essential reliability and ease-of-use with a feeling that's more like running outside, the 946i Treadmill features a console that provides clear visuals and a familiar layout that makes it easy for user to explore a variety of satisfying workouts.

At Precor, we recognize that a great workout is the sum of many parts. In your hands, the products, services and technologies we offer can be combined in countless ways to complement the programs, and atmosphere you're creating.

The 946i Treadmill delivers a smooth and responsive running performance with the added benefit of Integrated Footplant Technology™ (IFT) and Ground Effects® (GFX). Built with exceptional durability, comfort and ease-of-use to meet all exercise goals.

PRODUCT HIGHLIGHTS

- 1 Console**
Clear visuals and familiar layout increase program exploration, leading to greater satisfaction. Durable dome switches are tactile, responsive and easy for everyone to use.
- 2 Heart Rate Monitoring**
Easy to use handgrip sensors and telemetry monitor heart rate during workouts, helping users stay in an aerobic workout zone so they can optimize fat burn and improve cardio fitness.
- 3 Integrated Footplant Technology™**
Our patented belt system adjusts belt velocity 100 times per second to match natural changes in foot speed, producing a smooth, rhythmic stride and reducing the jarring impact that can stress joints and cause injuries.
- 4 Ground Effects® Impact Control System**
Reducing fatigue and helping users maintain even speed, our patented system combines ideal cushioning where feet land and vital stability where they push off.

Optional wireless entertainment cap

Streamlined LED Console

Streamlined LED Console with optional 15" Personal Viewing System

PRODUCT SPECIFICATIONS

Dimensions (L x W x H): 79 x 34 x 59 inches / 204 x 86 x 150 centimeters
