## KEY FEATURES

Dot matrix display with multiple program options

MyFlex™ cushioning system reduces heel strike impact and is so durable it has a lifetime warranty

Large 22" x 61" belt provides ample running space and is constructed from carbon-weave, low friction material that is resistant to static buildup

Equipped with Fitness Test protocols for the Firefighter's Wellness Fitness Initiative

SAC Servo motor saves power and requires no maintenance

Optional 3-speed fan

Optional entertainment screen bracket

T631 features an easy-to-use dot matrix display featuring professionally designed programs. This visually stimulating display features CardioAdvisor™ and multiple feedback options.

Warranty effective 08.01.10. May be subject to usage limitations.
